News From THE STATE SOLDIERS' HOME At Fort Dodge, Kas.

Mrs. Thomas Norman has been quite sick but is able to be up again.

At the present writing we are having some of the finest weather on record.

D. S. Moody, C. 4th N. H. Inf., has been sick in the old men's barracks. Com. Moody has been an old citizen of Ford county many years.

Comrade Victor is still manipulating the grading cart—the dump cart, making the crooked places straight and the rough places smooth.

We have to report that much needed rains have fallen. Quite a heavy shower fell the evening of the 3d and the flowers are blooming all along our pathway.

Hiram Stanley, H. 13th Mo. Cav. has returned from a furlough. He visited folks in Oklahoma and about Abington in Reno county. He reports considerable sickness about Arlington.

Our potatoes look fine, both above and below, and the gardens look like a vast checker board. What the state doesn't give us we raise—with fork and hoe.

Fred Boyd and Mrs. Boyd have given up the culinary department of barracks No. 5 and are enjoying a much needed rest. Fred has been quite ill for several weeks but is now able to be up.

Rev. Imboden of Dodge City, preached a very entertaining and practical sermon at 3 p. m. Sunday. Mrs. Imboden was with him. We will always be glad to see them come.

Capt. Roth, H. 26th Iowa Inf. is still working and perfecting the flower garden at the hospital. He has some new and rare flowers this season, and when they are fully grown will be dazzling to the eye of the people.

James Campbell and wife takes Fred and Mrs. Boyd's place as chief and assistant cooks in barracks No. 5. This is the white barracks so often spoken of, and is the first restaurant you strike after entering the home grounds, especially about meal time. Comrade Campbell was in the 9th Mo. Cav. during the war of the rebellion.

There were 957, 806 pensioners of all classes on the roll April 30th which was a net loss of 2133. The old soldiers and sailors on the roll April 30th was 669 673. The National Tribune in speaking of the incorporation of Order 78 into the law of the land, says: "It practically made the allowance of a pension to every veteran, at 62, a vested right, which may not be disturbed by any official, high or low." Also, "That pensions under the act of June 27th, 1890, were put on a better basis." Furthermore, a great gain was made in the progress toward a service pension, which is bound to come and that

soon." It is supposed that there are 130000 soldiers not on the pension roll. On the roll 669,673 plus 130,000, total 805,673, living at the present writing.

Mrs. Sughrue has received official notice of her appointment as post-mistress at Fort Dodge, and the news have been received with general satisfaction. Sherman McBratney, M. 10th Ohio Cav. will still be deputy post-master, and Miss Lena Sughrue will assist in the work of the office. Although Pat has gone from among us has crossed the Rapidan, the government still remembers us and continues to forward our mail.

Comrade S. X. Paulk, our former head-quarter back driver has retired from business and will live in Dodge City for a time. We think when the snow begins to fly Comrade Paulk will come back and go into winter quarters. Life is so different upon the outside, to what it is on the inside, you know, that a fellow can not tell the difference except by actual experience. When you have to go to the grocery store instead of to the Commissary, we find a great difference in the surroundings, and also much responsibility, to use a mild term.

F. H. Poor, of Preston, Kans., delivered the oration at Fort Dodge, May 30th. There were about one hundred old veterans in line, followed by the W. R. C. and then came the flower girls dressed in white. The procession marched to the cemetery at 9:30 a. m. where the beautiful and impressive services of the G. A. R. was read and flowers scattered over the graves of departed comrades. The procession then marched to the home reservoir where flowers were cast upon the waters in honor of the unknown dead. Rev. Poor preached at night, the meeting at the close being turned into an old fashioned Methodist love feast, and all shook hands while the multitude sang, "When the Last Roll is Called, I'll be There."

A Food to Work On

Work! Work!! Work!!!

Lots of energy is needed to keep up the pace. In the struggle, the man with the strong body and clear brain wins out every time.

The man of to-day needs something more than mere food; he needs a food that makes energy—a food to work on.

Although some people may not realize it, yet it is a fact, proved and established beyond doubt, that soda crackers—and this means **Uneeda Biscuit**—are richer in muscle and fat-making elements and have a much higher per cent. of tissue-building properties than any other article of food made from flour.

That this is becoming known more and more every day is attested by the sale of nearly 400,000,000 packages of **Uneeda Biscuit**, the finest soda cracker ever baked. An energy-giving food of surpassing value—sold in a package which brings it to you with all the original flavor and nutriment perfectly preserved. *Truly the food to work on.*

Whoever you are—whatever you are—wherever you work—**Uneeda Biscuit**.
